

Outing
OCEAN
7/12/2003 10:00AM-3:00PM
Cochituate State Park

In responding to the requests of many OCEAN members, OCEAN Entrepreneurs Club and Social Club jointly organized this month's event – We had an outing at the beautiful lakeside of Cochituate State Park. About 100 members and their family members attended. We had BBQ, sports and games, networking in a delighted environment, and had very good time.
